COMMUNICATION

Hon. Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Dear Sir:

A communication (Paper No. 10 - Form POL-308) was mailed from the Patent Office in connection with the above-identified application on October 28, 1993. The Assignment Branch reported on August 17, 1993 that the Revocation and Power of Attorney signed by Perry L. Wyatt could not be entered because the assignment rights were vested in another. However, per our telephone conference with the Patent Office on November 18, 1993, we were told to resubmit the Revocation and Power of Attorney for recordation. Enclosed with this communication are photocopies of the Revocation and Power of Attorney for recordation, Assignment, Assignment Recordation Form, Transmittal Sheet and copy of check no. 135865

Applicant: James H. Alleman
Serial No.: 07/873,323
Filed: April 24, 1992
Docket: 162.2US01

ASSIGNMENT

WHEREAS, the University of Colorado Foundation, Inc., a Colorado corporation with its principal office located at 1305 University Avenue, Boulder, Colorado 80306 (the "University"), obtained rights and interest relating to certain new and useful invention for which an application for Letters Patent of the United States was filed on April 24, 1992, serial no. 07/873,323, titled "Interactive Telephone System for Optimizing Service Economy," applicant James H. Alleman of Boulder, Colorado; and

WHEREAS, Paragon Services International, Inc., a Delaware corporation ("PSI"), having an office and place of business at 4339 Harriet Avenue South, Minneapolis, MN 55409 ("Assignee"), is desirous of acquiring the entire right, title and interest in and to said inventions and patent application and in and to the Letters Patent which may be obtained therefor.

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, the University has sold, assigned, and transferred, and by these presents does sell, assign and transfer unto said Assignee, its successors and assigns, the entire right, title and interest for all countries in and to all inventions disclosed in the aforesaid application, and in and to the said application, all divisions, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the said inventions, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and the University does hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions to the said Assignee as the assignee of the entire right, title and interest in and to the same, for the use of said Assignee, its successors and assigns.

AND, for the consideration aforesaid, the University does hereby agree that the University and its affiliates and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to the University relating to said inventions and the history thereof and will testify in all legal proceedings and generally do all things which may be
